CLASS DAY

APRIL 29, 2021

COLUMBIA | ENGINEERING  
The Fu Foundation School of Engineering and Applied Science

## AN INSPIRING VISION FOR THE SCHOOL: COLUMBIA ENGINEERING FOR HUMANITY

Our Columbia Engineering for Humanity vision articulates a pivotal moment for our school — a moment when society is looking to engineers for answers, and engineers are working together and across disciplines to provide solutions.

We continue to push the frontiers of engineering in research and education, striving to make a significant impact on the areas of sustainability, health, security, connectivity and creativity.

I. WELCOME

Mary Cunningham Boyce

Dean of The Fu Foundation School of Engineering and Applied Science  
The Morris A. and Alma Schapiro Professor

II. SENIOR CLASS PRESIDENT REMARKS

Kalisa Ndamage

President of the Class of 2021

III. KEYNOTE REMARKS

Rocco B. Commisso '71SEAS, '75BUS

IV. PRESENTATION OF DISTINGUISHED CLASS AWARDS

Barclay Morrison III

Vice Dean of Undergraduate Programs  
Professor of Biomedical Engineering

RECIPIENTS

Adheli Gonzalez | George Vincent Wendell Memorial Medal

This certificate and award, established in 1924 by alumni and faculty friends of the late Professor George Vincent Wendell to honor and perpetuate his memory, are granted annually by choice of the class and faculty to that member of the Columbia Engineering graduating class who best exemplifies his ideals of character, scholarship and service.

Alexander Paskov | Salutatorian

Noah Huber-Feely | The Illig Prize

V. VALEDICTORY REMARKS

Noah Huber-Feely | Valedictorian

VI. PRESENTATION OF GRADUATE AWARDS

RECIPIENTS

Soulaymane Kachani

Senior Vice Dean and Professor  
Vice Provost for Teaching and Learning

Tingjun Chen | Morton B. Friedman Memorial Prize for Excellence

This prize is awarded periodically to an undergraduate or graduate student in Columbia Engineering who best exhibits the characteristics of academic excellence, visionary leadership and outstanding promise for the future, embodied in the life of Morton B. Friedman, who served the school and the University for more than 50 years as a professor, department chair and senior vice dean.

Christophe Jean-Michaël Brown (MS), Aimee Rose Moses (MS)

& Shreya Narasimhan (PhD) | Graduate Student Life Award

These awards are given to students whose participation and involvement at Columbia have enhanced the spirit of graduate student life on campus, creating a more purposeful, caring and celebrative community.

Rohit Sharma

Columbia Engineering Graduate Student Speaker

Mary Cunningham Boyce

Dean of The Fu Foundation School of Engineering and Applied Science  
The Morris A. and Alma Schapiro Professor

Ali Hirsa

Professor of Professional Practice

Yevgeniy Yesilevskiy

Lecturer in the Discipline of Innovation and Design

Chris Boyce

Assistant Professor of Chemical Engineering

Augustin Chaintreau

Associate Professor of Computer Science

Edward and Carole Kim Award for Faculty Involvement

The Kim Award, established in 2000 by Edward and Carole Kim, parents of Brian Kim '01, was created to honor a faculty member who is not only an excellent teacher but also shows a special, personal commitment to students.

Janette and Armen Avaneassians Diversity Award

This award, established in 2007, honors faculty members whose actions encourage women and men from diverse backgrounds to become part of the academic community of engineering education.

Clefhandlers

“Stand, Columbia!”

Mother, stay’d on rock eternal,  
Crown’d and set upon a height,  
Glorified by Light supernal—  
In thy radiance we see light,  
Torch thy children’s lamps to kindle,  
Beacon-star to cheer and guide,  
Stand, Columbia! Alma Mater—  
Through the storms of Time abide!  
Stand, Columbia! Alma Mater—  
Through the storms of Time abide!

Honor, love, and veneration  
Crown forevermore thy brow!  
Many a grateful generation  
Hail thee as we hail thee now!  
Till the lordly Hudson seaward  
Cease to roll his heaving tide,  
Stand, Columbia! Alma Mater—  
Through the storms of Time abide!  
Stand, Columbia! Alma Mater—  
Through the storms of Time abide!  
—Gilbert Oakley Ward, CC 1902

“Roar, Lion, Roar” (Fight Song)

When the bold teams of old wore the blue and white,  
Deeds of fame made their name here at old Columbia!  
Nowadays, we can praise fighting teams again!  
Hear the Lion roar his pride,  
While the men of Morningside,  
Follow the blue and white to victory!  
Roar, Lion, Roar  
And wake the echoes of the Hudson Valley!

Fight on to victory evermore,  
While the sons of Knickerbocker rally round  
Columbia! Columbia!  
Shouting her name forever!  
Roar, Lion, Roar  
For Alma Mater on the Hudson Shore!  
—Corey Ford, CC 1923

2021 SENIOR AWARD RECIPIENTS

Archana Murali

Columbia Data Science Society

Amanda Zong

Engineers Without Borders – Uganda Project

Maria Chart

Virginia Q. Jiang

Students were honored on April 6 at the Leadership and Excellence Awards Ceremony.

Campbell Award

This award, named for Bill Campbell CC’62, TC’64, who was chair emeritus of the University’s Board of Trustees, celebrates a student leader at each school who exemplifies exceptional leadership and builds Columbia spirit.

Zvi Galil Award for Improvement in Engineering Student Life

Given annually to the student group that most improves engineering student life during the academic year. Established in honor of Zvi Galil, dean of the school from 1995 to 2007.

Thomas “Pop” Harrington Medal

This medal is awarded to the student in the graduating class who best exemplifies the qualities of character that Professor Harrington exhibited during his 40 years of teaching at the School of Engineering, from 1894 to 1935. The Harrington Medal is made possible by a very generous and deeply appreciated gift from Dr. Myron A. Coler ’34, PhD ’37.

Robert D. Lilley Award for Socially Responsible Engineering

Established in 2013 by a gift from Helen M. Lilley, this award supports the activities of student clubs at the school that have as their primary focus socially responsible engineering.

School of Engineering and Applied Science Scholar Athlete Award

This award is presented by the Office of the Dean to a graduating Columbia Engineering student who has distinguished himself or herself as a varsity athlete and scholar.

School of Engineering and Applied Science Student Activities Award

This award is presented to the Columbia Engineering senior who by virtue of his or her willingness, energy and leadership has significantly contributed to the cocurricular life of the school.

## SENIOR MARSHALS

Natalia Dorogi  
Adheli Gonzalez  
Alexander Jermann  
Virginia Q. Jiang  
Kathy Lau

Hans Montero  
Bret Silverstein  
Anisha Tyagi  
Anjali Verma  
Alina Ying

Senior Marshals are outstanding students of the senior class in good academic standing who have a record of contributing to their class, their school and their community.

American Society of Civil Engineers—Robert Ridgway Award

Awarded to the senior showing the most promise for a professional career in civil engineering.

Serena Tsui

American Society of Civil Engineers—Younger Member Forum Award

Awarded annually to members of the graduating class in civil engineering who have been the most active in promoting the aims of the society.

E.G. Sutton Klein

American Society of Mechanical Engineers Award

In recognition of outstanding efforts and accomplishments on behalf of the American Society of Mechanical Engineers Student Section at Columbia University.

Junhui Zhang

Applied Mathematics Faculty Award

Presented to an outstanding graduating senior in the applied mathematics program.

Joseph T. Lee

Applied Physics Faculty Award

Presented to an outstanding graduating senior in the applied physics program.

Mahshid Ghasemi Dehkordi & Matthew Morawiec

Edwin Howard Armstrong Memorial Award

Awarded by the Faculty of Electrical Engineering to one outstanding graduating senior or one outstanding candidate for the MS degree to honor the late Edwin Howard Armstrong, professor of electrical engineering and inventor of wideband FM broadcasting, the regenerative circuit and other basic circuits of communications and electronics.

Yanda Chen, Huy Ha, Jack Junyao Shi & Janet Zhang

Theodore R. Bashkow Award

Presented to the computer science senior who has excelled in independent projects. This is awarded in honor of Professor Theodore R. Bashkow, whose contributions as a researcher, teacher and consultant have significantly advanced the state of the art of computer science.

Lauren Elizabeth Friend

Sapna Ramesh

Christine Blackshaw & Michelle Zhang

Hod Lipson

James and Sally Scapa  
Professor of Innovation

Brian Smith

Assistant Professor of  
Computer Science

Keyu Liu, Shivani Shankar & Rohit Sharma

Daniel Garces & Shvetank Prakash

Outstanding Achievement Award in Biomedical Engineering Master’s Studies

Given to a master of science student in biomedical engineering who best exhibits academic excellence, visionary leadership and outstanding promise for the future of innovation and engineering in medicine.

Charles F. Bonilla Medal

The Bonilla Medal is an award for outstanding academic merit. It is presented annually to that student in the graduating class in the Department of Chemical Engineering who best exemplifies the qualities of Professor Charles F. Bonilla.

Tullio J. Borri ’51 Award in Civil Engineering

Presented annually by the Department of Civil Engineering and Engineering Mechanics to one or more seniors for outstanding promise of scholarly and professional achievement in civil engineering. This award has been made possible by gifts from the stockholders/employees of the Board of Directors of the Damon G. Douglas Company, a New Jersey–based general contractor, in appreciation of Mr. Borri’s many years of dedicated service and visionary leadership as chairman and president.

Columbia Engineering Alumni Association Distinguished Faculty Teaching Award

Established by the Columbia Engineering Alumni Association in 1996, this award is presented annually by the Board of Managers to two faculty members who demonstrate excellence in teaching and dedication to students. The recipients must be members of the faculty of Columbia Engineering.

Columbia Engineering Alumni Association Distinguished Student Leadership Award

Established in memory of Charles Kandel SEAS 1911, this award is presented annually by the Columbia Engineering Alumni Association Board of Managers to one graduating undergraduate senior and one graduating MS / PhD candidate who has promoted the school’s best interests, participated in co-curricular and student-alumni affairs, and demonstrated a deep respect for and commitment to the traditions of Engineering alumni.

Computer Engineering Award of Excellence

Awarded each year by vote of the Computer Engineering faculty to an outstanding senior in the computer engineering program.

Udai Nagpal & Shvetank Prakash

Henrique Bittencourt Netto Monteiro

Natalia Dorogi, Lara Turan & Nuan Zhao

Aravind Nagulu & Ankur Nipane

Angel Estigarribia Hobecker

Ruby Aidun

Computer Science Scholarship Award

Awarded to BA and BS degree candidates for outstanding academic achievement in computer science.

Edward A. Darling Prize in Mechanical Engineering

Established in 1903 by a gift from the late Edward A. Darling, formerly superintendent of Buildings and Grounds; it is awarded annually to the most faithful and deserving student of the graduating class in mechanical engineering.

Adam J. Derman Memorial Award

This award is presented to undergraduate students who have demonstrated exceptional ability to make computer-oriented contributions to the fields of industrial engineering and operations research.

Electrical Engineering Collaborative Research Award

This award is presented to PhD candidates who make a superb contribution to a collaborative research effort.

Electrical Engineering Department Research Award

Awarded by the Faculty of Electrical Engineering to one outstanding graduating senior who has demonstrated outstanding passion and accomplishment in research.

Eli Jury Award (PhD)

Established in 1991, this award is presented to a graduate student or recent graduate for outstanding achievement in the areas of systems, communications, signal processing, or circuits.

Francis B. F. Rhodes Prize

Established in 1926 by Eben Erskine Olcott of the Engineering Class of 1874, in memory of his classmate, Francis Bell Forsyth Rhodes, School of Mines, 1874, and awarded from time to time to the member of the graduating class in materials science and metallurgical engineering who has shown the greatest proficiency in his or her course of study.

Divya Rajasekharan

Salman Ehtesham Qasim

Jewell M. Garrelts Award

Awarded to the outstanding graduating senior(s) who will pursue graduate study in the department that was so long and successfully shepherded by Professor Jewell M. Garrelts. This award is made possible by gifts from alumni and friends of Professor Garrelts and from the Garrelts family in honor of an outstanding engineer, educator and administrator.

Jonathan L. Gross Award for Academic Excellence

This award was established in 2017 in honor of much-loved Professor Emeritus Jonathan Gross. This award is given each year to one graduating master’s student and to one graduating senior from each of the four undergraduate schools served by the Department of Computer Science.

Carl C. Gryte Prize

Awarded annually for service to the Department of Chemical Engineering.

Stephen D. Guarino Memorial Award

Established by a gift from Roger Guarino ’51 in memory of his son, the award is given to the outstanding seniors in the Department of Industrial Engineering and Operations Research who, in the opinion of the faculty and Board of Managers of the Columbia Engineering Alumni Association, have been active in undergraduate activities and have displayed leadership, school spirit and scholarship achievement.

William A. Hadley Award in Mechanical Engineering

Established in 1973 by Lucy Hadley in memory of her husband, the award is given to students in the graduating class in mechanical engineering who have exemplified the ideals of character, scholarship and service of Professor Hadley.

Yuen-huo Hung and Chao-chin Huang Award in Biomedical Engineering

Given to graduate doctoral students who have demonstrated potential for making significant contributions to the fields of biomedical engineering and public health, and for serving as ambassadors of biomedical engineering.

**Andrew P. Kosoresow Memorial Award for Excellence in Teaching and Service**

Awarded for outstanding contributions to teaching in the Department of Computer Science and exemplary service to the department and its mission.

**Sebastian B. Littauer Award**

Established in 1979 in honor of Professor Littauer, a certificate and a prize are presented annually by the Department of Industrial Engineering and Operations Research to the seniors who show outstanding promise of scholarly and professional achievement in operations research.

**Master of Science Award of Excellence**

Awarded annually by the Faculty of Electrical Engineering to fewer than 5% of the candidates for the MS degree to recognize outstanding achievement.

**Master of Science Research Award**

Presented to MS candidates who make a superb contribution to a research project.

**Mechanical Engineering Certificate of Merit**

In recognition of excellence in undergraduate studies.

**Mechanical Engineering Faculty Award in Leadership, Service, and Scholarly Work**

The Mechanical Engineering Faculty presents this award annually to students of the graduating class in mechanical engineering for dedication and contributions to leadership service and scholarly work.

Mechanical Engineering Excellence in Undergraduate Research

The Mechanical Engineering Department presents this award to students of the graduating class in mechanical engineering for participation in and contributions to research.

Henry L. Michel Award in Civil Engineering

Established by the Columbia Engineering Alumni Association in memory of Henry L. Michel '49, C.E., who built Parsons Brinckerhoff into one of the world's leading engineering companies, this award is presented annually by the Department of Civil Engineering and Engineering Mechanics to a student or group of students in the department who demonstrate outstanding promise of leadership and professional achievement in civil and construction engineering. The award is in support of a project with emphasis on the construction industry in which the students participate.

Jacob Millman Award for Outstanding TAs

Awarded to graduate students who demonstrate outstanding performance as a Teaching Assistant.

Russell C. Mills Award

This annual award, established by the computer science department in 1992 in memory of Russell C. Mills, is given to a computer science major who has exhibited excellence in the area of computer science.

Mindlin Scholar in Civil Engineering and Engineering Mechanics

This award is presented to graduate students in the Department of Civil Engineering and Engineering Mechanics in recognition of outstanding promise of a creative career in research and/or practice. This award is made possible by gifts of friends, colleagues and former students of Professor Raymond D. Mindlin, and, above all, by the Mindlin family. It is intended to honor the Mindlin brothers, Raymond, Eugene and Rowland, who excelled in their respective scientific fields of engineering research, engineering practice and medical practice.

Moles' Student Award in Civil Engineering

Awarded to the student in engineering whose academic achievement and enthusiastic application show outstanding promise of personal development leading to a career in construction engineering and management.

Salvador Bolanos, Evelyn Chang & Jake Dunn

Daniel William Kolano

Meryl Winicov

Christophe Jean-Michaël Brown & Abhimanyu Yadav

Nicolas Acosta

Alexander Danechi

Outstanding Student Service Award in Industrial Engineering and Operations Research

In recognition of significant contributions to the IEOR Department, this award goes to students who have represented our department with grace and intelligence through their work as ambassadors, board members of professional student organizations or course assistants.

James F. Parker Memorial Award (Mechanical Engineering Design Award)

James F. Parker served and represented Columbia Engineering students as their dean from 1975 to 1984. He also distinguished himself in the pursuit and analysis of two-dimensional art. In recognition of his special combination of talents and their integration, the School of Engineering and Applied Science salutes the graduating student who has distinguished herself or himself as a designer. A person of creative and innovative inclination receives the James F. Parker Medal, as evidenced by outstanding performance in courses integrating engineering analysis and design.

Robert Peele Prize

Awarded from time to time to that member of the graduating class in mining engineering who has shown the greatest proficiency in his or her course of studies.

The Professional Development and Leadership (PDL) Graduate Student Award

This award is given to students whose participation and involvement in Professional Development and Leadership at Columbia Engineering has gone above and beyond expectations. The recipients have demonstrated an exceptional level of professionalism, leadership, teamwork, integrity and commitment to become engineering leaders.

Claire S. and Robert E. Reiss Prize

This award is given by Robert E. Reiss CC '66 and his wife, Claire S. Reiss, to the graduating senior(s) in biomedical engineering judged by the faculty of the program as most likely to contribute substantially to the field.

Robert Edward Reiss Award in Chemical Engineering

This is awarded annually to the student in that department who shows the greatest promise of success in applying the discipline of chemical engineering to the improvement of biological products and medical devices.

Shaowen Chen

Robert Simon Memorial Prize

This prize was established in 2001 to honor Robert Simon, a Columbia alumnus who spent a lifetime making valuable contributions to computational and mathematical sciences, and is awarded annually by the Department of Applied Physics and Applied Mathematics to the doctoral students who have completed the most outstanding dissertation. Should no dissertation qualify in a given year, the prize may be awarded to either the most outstanding student who has completed an MS in the department or to the most outstanding graduating senior in the department.

Ziad Saade

Richard Skalak Memorial Prize

The Richard Skalak Memorial Prize was founded in recognition of the pioneering contributions of Richard Skalak to the development of the biomedical engineering program at Columbia University. Dr. Skalak was an inspirational teacher and scholar who taught students and colleagues to appreciate the value of broad interactions between engineering and medicine, particularly in the fields of cardiovascular mechanics, tissue engineering and orthopedics. The Richard Skalak Memorial Prize is awarded annually to a senior biomedical engineering student who exemplifies the qualities of outstanding engineering scholarship and breadth of scientific curiosity that form the basis for lifelong learning and discovery.

Perry Flamer

Student Excellence Award in Electronics, Circuits, and Physics

Awarded by the Faculty of Electrical Engineering to one outstanding graduating senior who has demonstrated outstanding passion and accomplishment in electronics, circuits and physics.

Natasha Dusaj

Student Excellence Award in Information and Systems

Awarded by the Faculty of Electrical Engineering to one outstanding graduating senior who has demonstrated outstanding passion and accomplishment in information and systems.

Ala Eddin Douba

Professor Rene B. Testa Award

This prize is given to graduate students and to undergraduate students who have achieved excellence in their academic program and have actively participated in the research and testing mission of Carleton Laboratory.
